Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future.
This chart shows the fund's performance as the percentage loss or gain per year over the last 10 years. It can help you to assess how the fund has been managed in the past.

Past Performance

- Performance is shown after deduction of ongoing charges. Any entry and exit charges are excluded from the calculation.
- The chart shows the Investment Product's annual performance in EUR for each calendar year over the period 2013-2022. This Investment Product was launched in 19/1/1999.
