Investment Objective

Investor Profile

The (LF) Special Purpose Profit Leaders Sub-Fund has a 10-year term and will be fully liquidated by 20.12.2034.

The Sub-Fund is addressed to investors with a long-term investment horizon and who are seeking return from exposure to equity and fixed income markets, and who are prepared to remain invested until the Maturity Date.

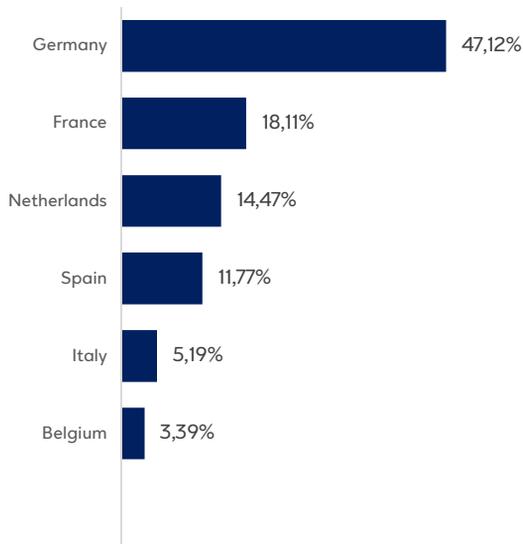

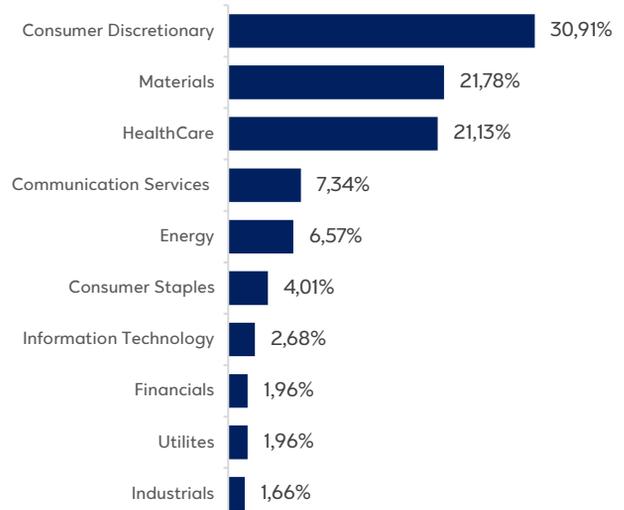

It aims at offering to investors capital gains through an investment portfolio of fixed income securities in euro, such as government and corporate bonds traded worldwide until its maturity date on 20 December 2034. It may invest over 35% of its assets in EU government bonds. Over 50% of its assets in fixed income securities with Greek sovereign or corporate risk and up to 50% of its assets in non-investment grade and high yield fixed income securities.

The Index MSCI EMU Select Profitability Leaders Decrement 5% Index includes large and mid-cap securities across 10 developed markets (“DM”) in the European Monetary Union (“EMU”). The Index aims to represent the performance of an investment strategy that selects 40 securities from the MSCI EMU Index based on their market capitalization, ESG governance scores and an aggregated metric of Return on Asset (“ROA”). The Index aims to select securities that display sustainable and persistent profitability. The Index applies a constant markdown (“synthetic dividend”) of 5% on an annual basis, expressed as a percentage of performance. To enhance its investment objective, the Sub-Fund will enter in a structured unfunded equity swap transaction (derivative investment strategy) with a selected counterparty for 7 years until 20 December 2031. The structured equity swap transaction gives exposure to the positive performance of the MSCI EMU Select Profitability Leaders Decrement 5% Index.

The Sub-Fund’s overall return depends on the performance of the derivative investment strategy and the performance of the investment portfolio.
